

Families often need help with child and elder care. A Dependent Care Flexible Spending Account (DCFSA) lets you save on dependent care expenses using pre-tax dollars.¹ You can spend your dependent care account funds on a wide range of care for eligible members of your family. Some of the expenses covered include adult day care, child day care, babysitting, before- and after-school programs, and sick child care.

General

Q Why should I enroll in a DCFSA?

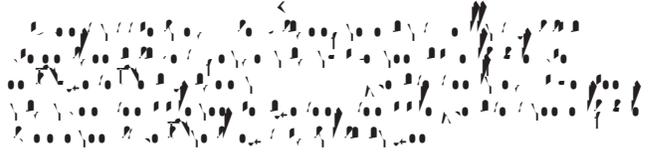

Q What if my spouse participates in a DCFSA?

Contribution limits are based on the IRS limits outlined

Q Is tuition an eligible dependent care expense?

Q If I participate in the DCFSA, will I still be able to claim the household and dependent care credit on my federal income tax return?
